For parents who are separated/divorced:

We understand how delicate money conversations are in situations like this.

The office is not responsible for assuming who will be accountable for tuition payments.

Should requests be made that one party is to pay over another, the request will need to be confirmed in writing (or via email) by both parties.

SchoolPay:

You will not be able to open an account on SchoolPay until your child has been registered with Nixa Schools. Even after that it may take 48 hours for the student's number to activate. You may still check out as a guest.

AMI (virtual learning days) will not be refunded to your account.
