Subject: T-Shirt Pricing

We are seeing if we are able to do some shirts for our ballot issues, and is why I need pricing for a few different quantities as we look at our budget.

If you could get this back to me by Wednesday, Feb. 6, that would be great.

Red t-shirt (we don't care type, just looking for inexpensive)

Mr. Rantz thank you for your interest in our service. We greatly appreciate the opportunity to work with you.

The following is the quote you requested for inexpensive RED t shirt with 1 color screen print. Please note that 500 + shirts will remain the same price unless you add colors or locations.

100 - 5.3oz tee w/1cl print \$5.25/ea.

500 - 5.3oz tee w/1cl print \$4.80/ea.

500 + 5.3oz tee w/1cl print will remain \$4.80/ea.

If you would like a softer shirt, you can upgrade to our popular ring spun cotton tee for only \$1.50 more per shirt.

You might also consider a softer option that you can really feel good about. We now carry Allmade tri-blend shirts. These shirts are made from [recycled, sustainable resources](#). What's more, they are sewn in Haiti and [provide a dignified and living wage that helps keep families together](#). For only \$5.00 more per shirt, you will love the way they feel and feel great about making life better for all. I encourage you to take two minutes and four seconds to watch the following video:

<https://youtu.be/pPMWhSGRr6o>

We **do not** have a screen setup charge and we provide one hour of design time at no charge. Most designs can be completed in less than an hour. There is an additional charge for shirts 2XL and larger.

To get started, we'll need your quantities/sizes as soon as possible so we can get the shirts ordered. In addition, we'll need a Visa/MasterCard number we can hold until your order is complete. We won't charge anything to the card until then. At that time, you may pay with the credit card or by check/cash. As soon as we get your card number, our artist will prepare a proof of your shirt for your approval. You can expect your proof in just a few days.

Your business is very important to us and we ask that you give us the opportunity to work with you. What more may I do to assist you on this important project?

Thank you,

Cheryl L. Watts
