

SCHOOL DISTRICT MISSION
(Comprehensive School Improvement Plan)

The mission of the Nixa R-II School District, recognized for excellence and innovation in a rapidly growing community, is to ensure that all students graduate with academic and life skills necessary to become life-long learners who are productive, informed and involved citizens in a diverse society. This will be accomplished by providing a quality, comprehensive education in a safe and secure environment.

The district has a Board-approved Comprehensive School Improvement Plan (CSIP) guided by the mission statement and based on the district's fundamental beliefs about teaching and learning. This plan serves as the district's foundation for allocating resources, developing policies and procedures, and selecting and implementing instructional programs designed to raise student achievement.

The CSIP was developed through the combined efforts of Board members, staff, administrators, students, parents/guardians and community members and is ongoing. Goals, outcomes or objectives are provided in sufficient detail to direct the improvement efforts of the district for at least a five-year period. The CSIP is evaluated and updated as necessary.

A copy of the district's CSIP is available in the superintendent's office, at each school building and other district offices.
